

BIODIVERSITY BLITZ Challenge

Look for some
BIODIVERSITY
in your
BACKYARD

Every year in September we celebrate Biodiversity Month. **Search for examples of biodiversity in your backyard.** Remember, biodiversity includes plants and animals, so it could be ants crawling on the ground, insects hovering around flowers, a lizard on a rock or a tall gum tree.

Learn more about biodiversity in your backyard at:

Australian Museum

Show off your work!

Send in a photo or video of you answering the Biodiversity Blitz Challenge. Or show us an example of what you have done to help biodiversity at your place.

Upload them to the Creative Gallery on the Adventures at Your Place website:
