

Make a **RINGTAIL POSSUM DREY** for your furry friends

Ringtail possums live in nests called a 'drey' that are made of sticks and branches woven together and lined with leaf material. By **making an artificial drey** you are encouraging ringtail possums to live at your place and increasing your biodiversity.

For some instructions, head over to the WIRES website or watch the video below wires.org.au/wildlife-info/wildlife-factsheets/making-a-ringtail-possum-home
