

NATIONAL WATER WEEK CHALLENGES

18-24 October 2021

Save Water IN THE SHOWER

Choose your favourite 4 minute song and listen to it in the shower. Make sure you turn the shower off before the song finishes.

Complete this colouring in and upload to facebook with [#LoveWaterDay](https://www.facebook.com/lovewaterday). Then stick it to your bathroom mirror to remind you and your family to do your bit to save water in the shower.

If you want to upload your song suggestions or see suggestions others have made here is the Love Water playlist: www.hunterwater.com.au/home-and-business/information-for-homes/how-to-love-water/in-the-home/bathroom/4minuteshowers.
