

NATIONAL WATER WEEK CHALLENGES

Using Water

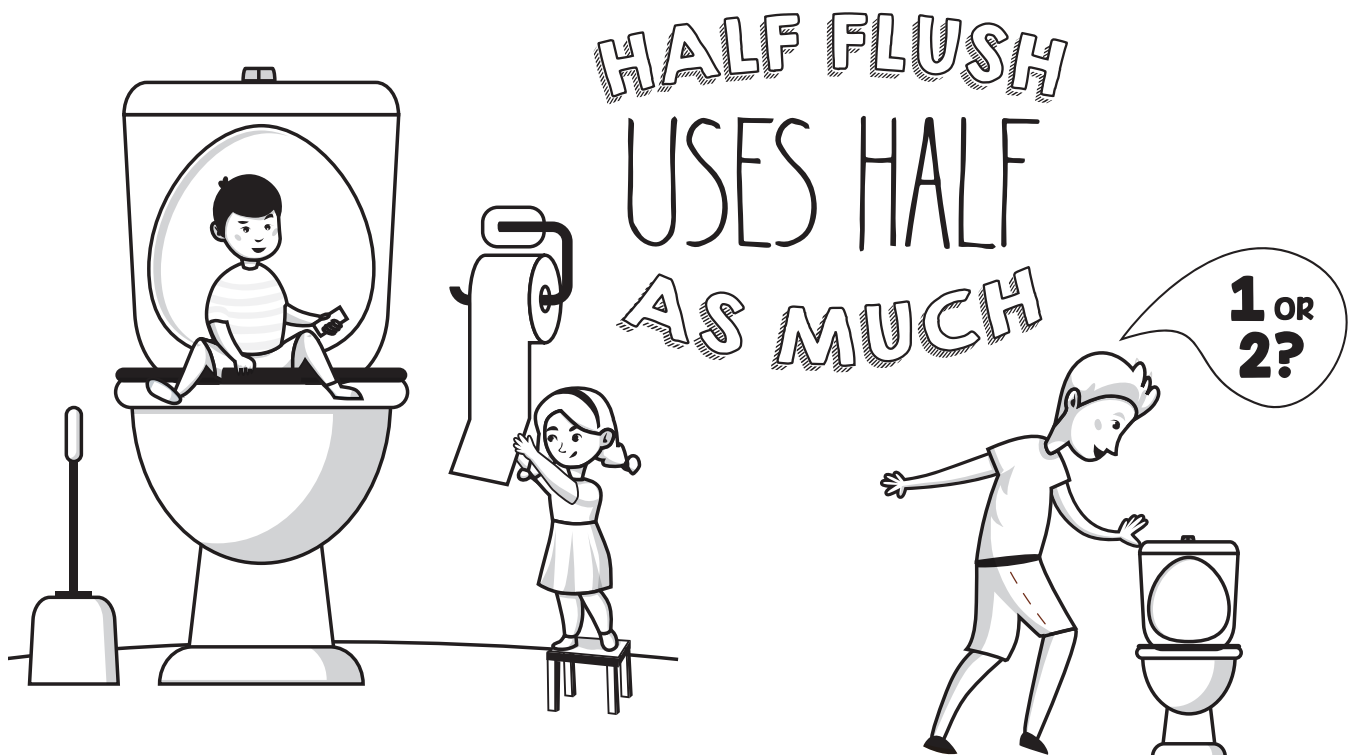

AT HOME OR AT SCHOOL

Think about all the ways we use water around the home and school.

Choose one area in your home or school where you can save a bucket of water today and water your plants or garden using the water collected.

Take a photo or make a short video (30 seconds max) and upload to either Facebook or Instagram it with [#LoveWaterDay](#) [#lovewater](#) [#hunterwater](#) so we can keep track of your amazing watersaving efforts.
