

# NATIONAL WATER WEEK CHALLENGES

# Love Water Day

SATURDAY 23 OCTOBER

Saturday 23 October is **LOVE WATER DAY** and we are asking students to show the love on their front gate, letterbox or window. Colour in or decorate the Love Water poster, or create an original Love Water artwork. There are no limits to what can be created, it can be streamers, balloons, pictures, paintings or chalk drawings!

You can also join our community in wearing blue for Love Water Day (Friday for schools and Saturday for homes). Take a picture of your wearing blue with your creation on display and share it to Facebook or Instagram with the hashtags #LoveWaterDay #lovewater #hunterwater.
