

National Water Week Challenge

BECOME A

Catchment Crusader

Take up the challenge and become a crusader for the Hunter Catchment.

The Hunter Catchment is one of the largest catchments in NSW and includes mountain ranges, bushland, farmland, urban areas and coastal areas.

It is important that we look after our catchment as we all live in one.

Do you have what it takes to be a Hunter Catchment Crusader?

Come and play the game to receive your Catchment Crusader certificate.
